Step 1 - Download the Software

Collapse the "Download Instructions" and the "Installation Notes" by clicking on the **Arrow** next to each.

SMART Notebook software for Windows

Support

Download Instructions Hide

IMPORTANT: If you have SMART Response (formerly Senteo) software, follow the download instructions on the [SMART Response](#) page.

Current customers

Use your SMART Product Update (SPU) to automatically update to the latest version.

To update SMART Notebook software

1. Open any SMART software program.
2. Click **Help > Check for Updates**.
3. Click the **Update** button beside SMART Notebook. SMART Notebook software updates automatically.

NOTE: If you don't see the Check for Updates option, contact your network administrator.

New customers

Follow the steps below to download and activate SMART Notebook software.

1. Obtain a product key to activate SMART Notebook software.
2. Download SMART Notebook software, either by clicking the **Download** button below or the link in the e-mail you received from SMART when you registered for a product key.
3. During the installation process, enter the product key you received from SMART.

NOTE: If you don't obtain a product key, you can use SMART Notebook software for 30 days.

Support chat

Sometimes an online chat is all you need to get an answer to your inquiry or problem.

Step 1 - Download the Software

Expand the "Lesson Activity Toolkit Downloads" section by clicking on the **Arrow** next to it.

A screenshot of the SMART Notebook software support page for Windows. The page has a blue header with the SMART logo and navigation links for United States, Solutions, Resources, Support, and About. Below the header is a breadcrumb trail: Home > Support > Download software > SMART Notebook collaborative learning software > SMART Notebook software for Windows. The main content area is titled "SMART Notebook software for Windows" and includes a "Support" button. Below this are four expandable sections: "Download Instructions", "Installation Notes", "Downloads", and "Lesson Activity Toolkit Downloads". The "Lesson Activity Toolkit Downloads" section is highlighted with a red box, and its expandable arrow is also highlighted. To the right of the main content are two sidebars. The top sidebar is titled "Search the knowledge base" and contains a search input field and a search button. The bottom sidebar is titled "Contact Support" and contains text about finding support options and a "Contact support" button. At the bottom of the page, there is a "Support chat" section with a chat icon and a "Start a conversation today" button.

Step 1 - Download the Software

Right Click on the **"Download"** link and choose "Save Target As" {Or: Save Link As}
It is recommended that you save this file to your Desktop.

Please note:

A Pop-Up Blocker may activate once you start the **"Download"**.

If so, click on the blocker and choose "Allow..."

Again: It is recommended that you save this file to your Desktop.

Step 1 - Download the Software

Expand the "Downloads" section
by clicking on the **Arrow** next to it.

A screenshot of the SMART Notebook software support page for Windows. The page has a blue header with the SMART logo and navigation links for United States, Solutions, Resources, Support, and About. Below the header is a breadcrumb trail: Home > Support > Download software > SMART Notebook collaborative learning software > SMART Notebook software for Windows. The main content area is titled "SMART Notebook software for Windows" and includes a "Support" button. Below this are four expandable sections: "Download Instructions", "Installation Notes", "Downloads", and "Lesson Activity Toolkit Downloads". Each section has a right-pointing arrow and a "Show" link. The "Downloads" section is highlighted with a red box. To the right of the main content are three sidebars: "Search the knowledge base" with a search input field, "Contact Support" with a "Contact support" button, and "Support chat" with a "Start a conversation today" button and a chat icon.

Step 1 - Download the Software

Click on the **"Download"** Link.

The screenshot shows the SMART website interface. At the top, there is a navigation bar with links for 'United States', 'Solutions', 'Resources', 'Support', and 'About'. Below this is a breadcrumb trail: 'Home > Support > Download software > SMART Notebook collaborative learning software > SMART Notebook software for Windows'. The main content area is titled 'SMART Notebook software for Windows' and includes a 'Support' button. There are three expandable sections: 'Download Instructions' (Show), 'Installation Notes' (Show), and 'Downloads' (Hide). The 'Downloads' section is expanded, showing 'SMART Notebook 10.6 SP1 software and SMART Product Drivers 10.6 SP2' with a 'Download' button highlighted in a red box. Below this, there is a 'Download details' table:

Download details	
Version	SMART Notebook: 10.6.141.1 released September 1, 2010 SMART Product Drivers: 10.6.175.2 released July 30, 2010
File size	299.8 MB
Language support	View
System requirements	View

Below the table, there is a note: 'If you are using a SMART hardware product and don't want to install SMART Notebook software, you can [download SMART Product Drivers only](#). Alternatively, you can [download SMART Notebook software only](#).'

On the right side of the page, there are three additional sections: 'Search the knowledge base' with a search input field, 'Contact Support' with a 'Contact support' button, and 'Support chat' with a 'Start a conversation today' button and a chat icon.

Step 1 - Download the Software

Fill in your appropriate information and then click **"Start Download"**.

Download Software

Your software download will begin as soon as you complete and submit the form below.

SMART Notebook 10.6 SP1 software and SMART Product Drivers 10.6 SP2 for Windows

Start a conversation today

Please note:

A Pop-Up Blocker may activate once you click **"Start Download"**.

If so, click on the blocker and choose "Allow..."

It is recommended that you save this file to your Desktop.

Step 1 - Download the Software

Once the Download begins, click your "Back" button in your browser a couple times to return to the following page. Type "Essentials for Educators" into the **Search Box**.

The screenshot shows the SMART website interface. At the top, there is a navigation menu with links for 'United States', 'Solutions', 'Resources', 'Support', and 'About'. Below the menu is a breadcrumb trail: 'Home > Support > Download software > SMART Notebook collaborative learning software > SMART Notebook software for Windows'. The main content area features a 'SMART Notebook software for Windows' section with a 'Support' button. Below this are expandable sections for 'Download Instructions', 'Installation Notes', and 'Downloads'. The 'Downloads' section is expanded, showing 'SMART Notebook 10.6 SP1 software and SMART Product Drivers 10.6 SP2' with a 'Download' button. A table of download details is provided below, including version, file size, language support, and system requirements. At the bottom, there are links for downloading SMART Product Drivers only or SMART Notebook software only. On the right side, there are two 'Search the knowledge base' boxes. The top box is empty, and the bottom box contains the text 'Essentials for Educators' in the search input field. A red arrow points from the top search box to the bottom search box, indicating the search process.

Step 1 - Download the Software

Click on the **"Zip"** Link on the Right.

The screenshot shows the SMART website interface. At the top, there is a navigation bar with 'United States', 'Solutions', 'Resources', 'Support', and 'About'. Below this is a search bar containing 'Essentials for Educators'. The search results are displayed in a list format. On the right side of the results, there is a filter menu. Under the 'Type:' section, the 'ZIP (1)' option is highlighted with a red box. The main content area shows several search results, including 'Gallery Essentials Doesn't Install - SMART Technologies' and 'The SMART Notebook Software 10 CD Doesn't Install Essentials for Educators Gallery...'. Each result includes a title, a brief description, a URL, and the file size.

Step 1 - Download the Software

Right Click on the "**SMARTEssentials4Educators10.0.zip**" link and choose "Save Target As" {Or: Save Link As}

It is recommended that you save this file to your Desktop.

The screenshot shows the SMART website interface. At the top, there is a navigation bar with the SMART logo, a language selector set to 'United States', and a search bar. Below this is a search results page for 'Essentials for Educators'. The search bar contains the text 'Essentials for Educators' and a 'Search' button. The results show 'Showing results 1 - 1 of 1.' and 'Sort By: Relevance | Date' with a search time of '1.25 second'. A filter for 'Year' is visible. A message states: 'Only results from collection Knowledge Base are displayed. [Clear] Only results matching the refine constraint are displayed. [Clear]'. The search results list one item: 'SMARTEssentials4Educators10.0.zip' with a date of '11/18/2009' and a size of '525 MB'. The file name is highlighted with a red box. Below the file name are links for 'Details', 'Opened 2 times, Today, 6:46 PM', and 'Result Page: 1'. At the bottom of the page, there is a footer with '© 2011 SMART Technologies |' and a navigation bar with links for 'Legal', 'Training', 'Site map', 'Where to buy', and 'Contact us'.

Please note:

A Pop-Up Blocker may activate once you start the "**Download**".

If so, click on the blocker and choose "Allow..."

Again: It is recommended that you save this file to your Desktop.
