

Step 2 - Installing the Software

You will now have one file and two folders.

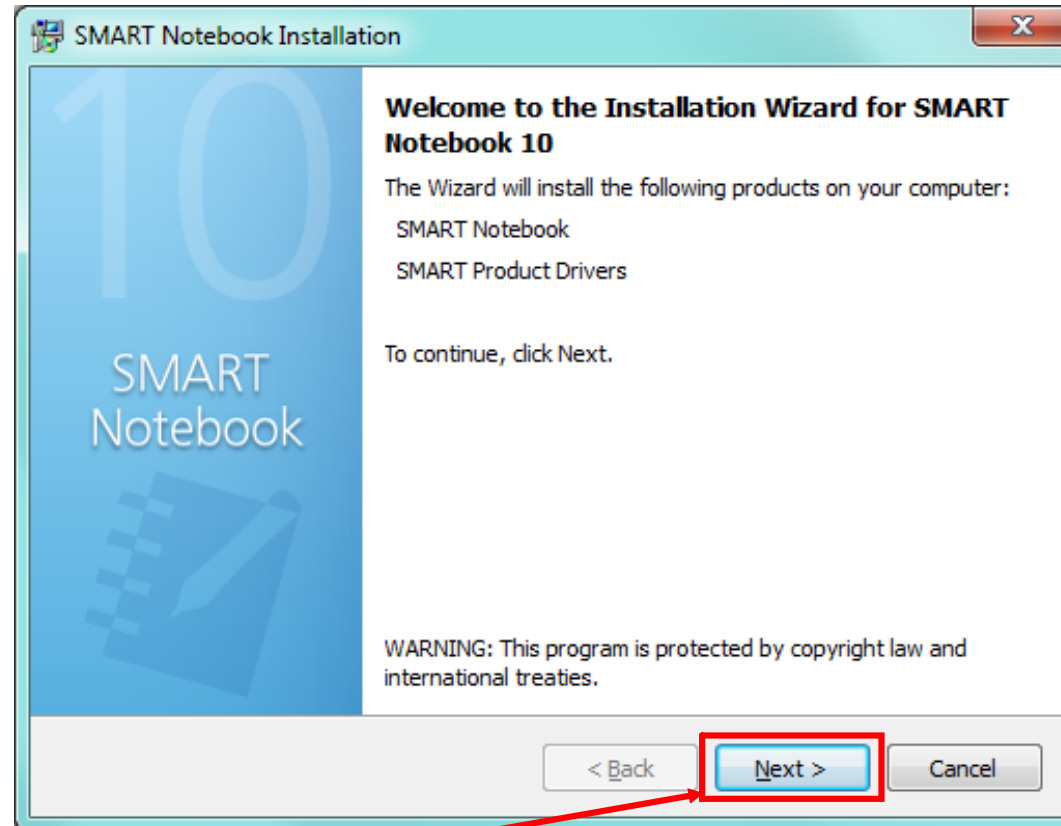

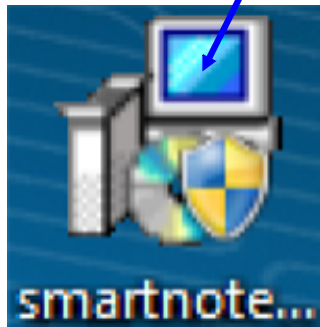

Please note: You may need to "Un-Zip" both the Gallery {SMART Essentials for Educators} and The Lesson Activity Tool Kit before proceeding.

Step 2 - Installing the Software

Double Click to start the install process on the file first.

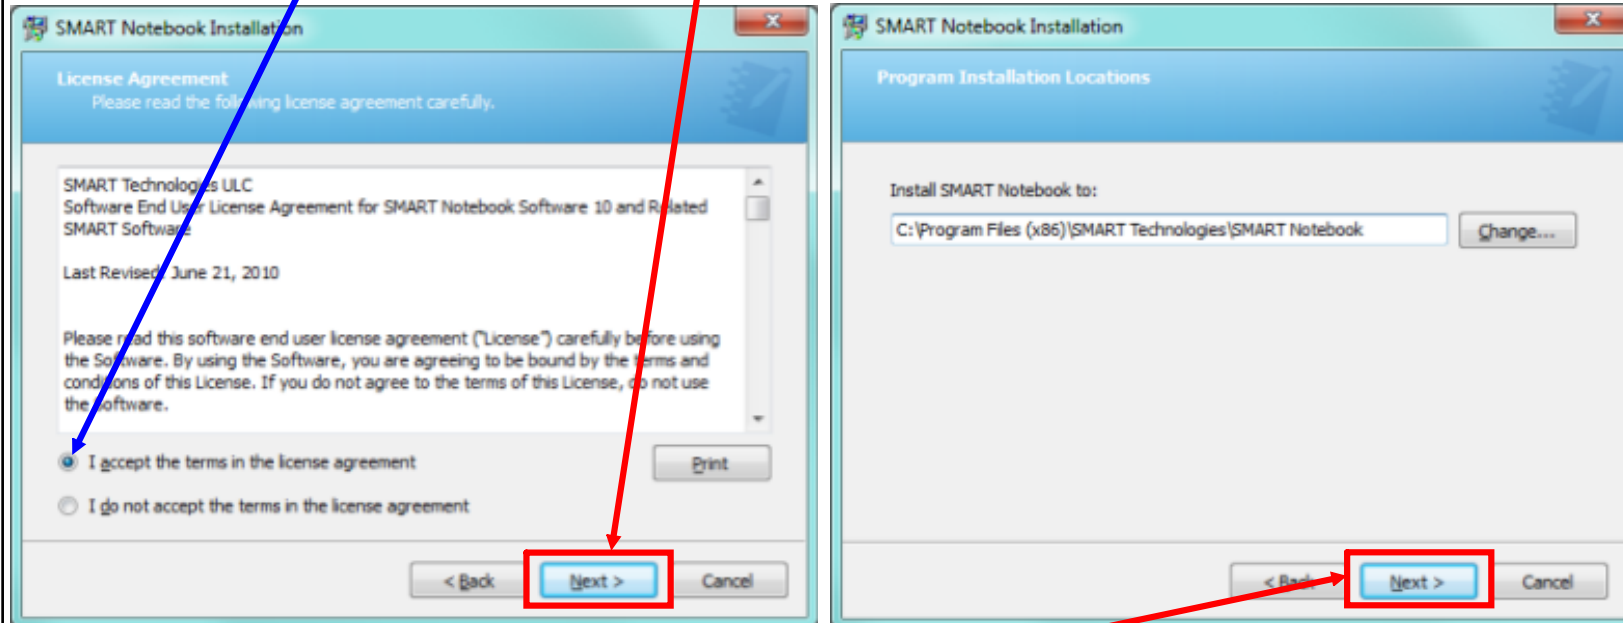

Click **Next**

Step 2 - Installing the Software

Accept the terms in the license agreement.
Click **Next**.

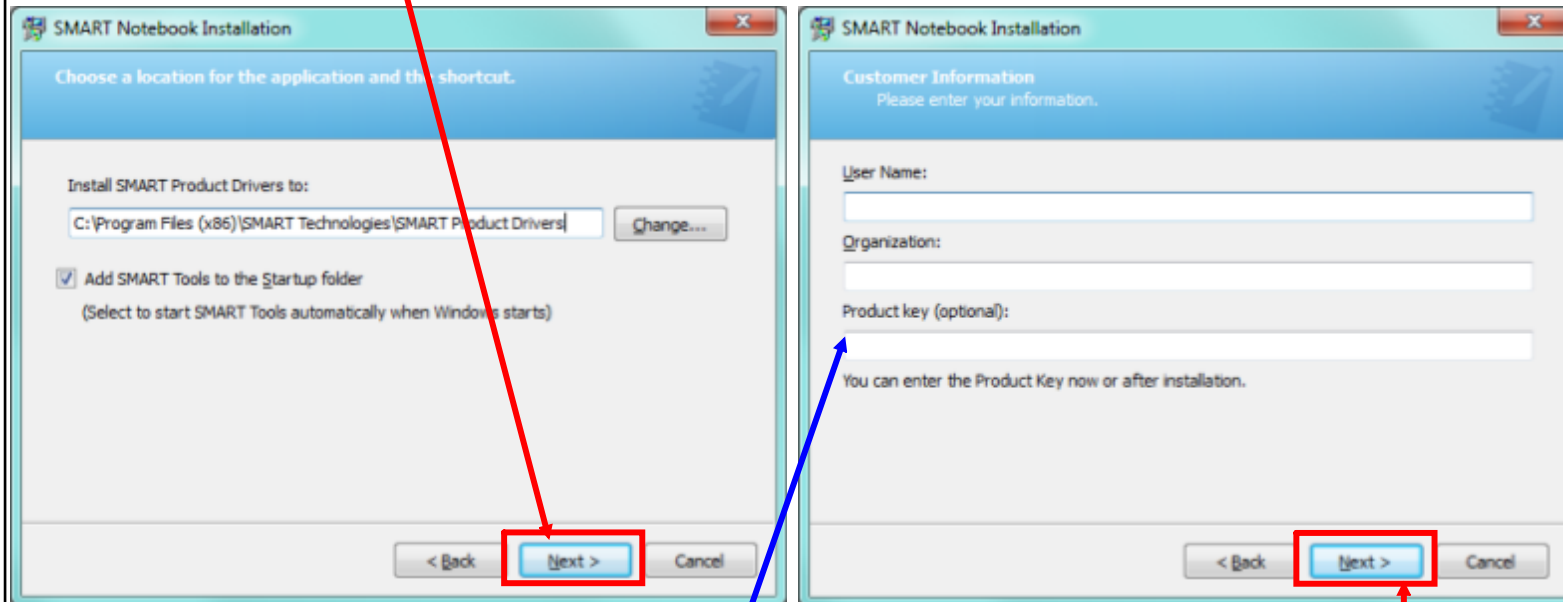

Click **Next**.

Step 2 - Installing the Software

Click **Next**

Type in your **Activation Code (Product Key)** if you have one now.
If not, it can be entered later.

Click **Next**

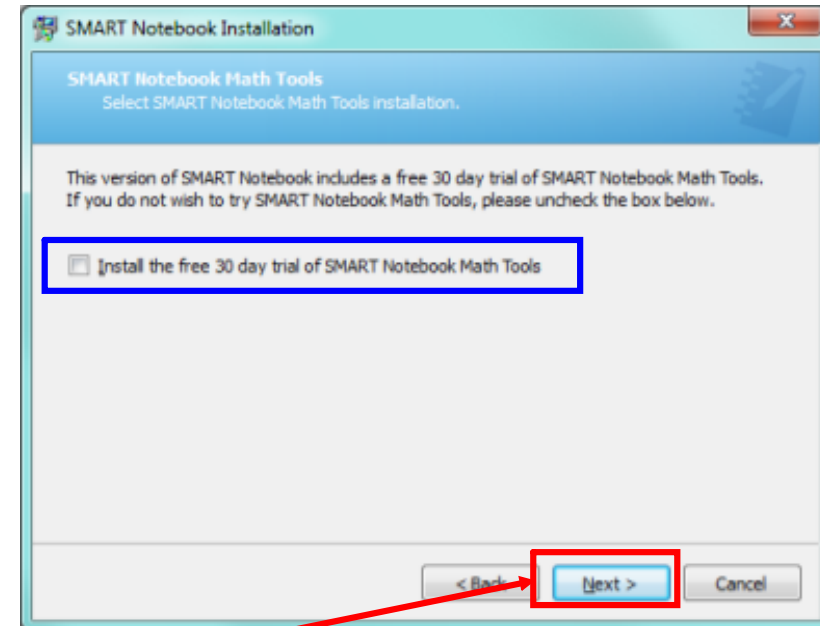

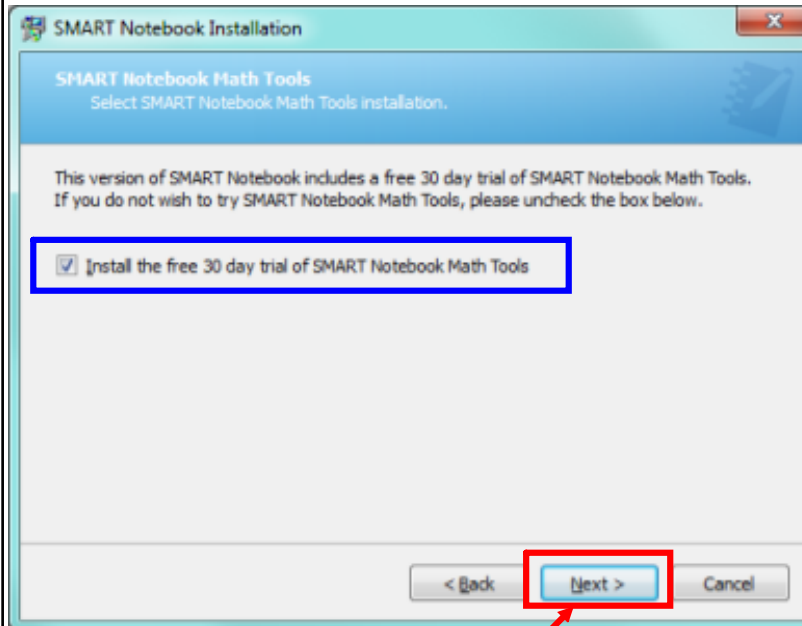

Please note: All the current downloads available for SMART Notebook™ Software Version 10 are classified as a 30-Day Trial Version. In order to release the Trial Version Status, the user must input an Activation Code. This Activation Code will most likely come from your District's Technology Administrator.

If you and/or your District's Technology Administrator are unaware as to how to obtain an activation code, feel free to contact Bret Gensburg (bret@eagleteti.com) for more information.

Step 2 - Installing the Software

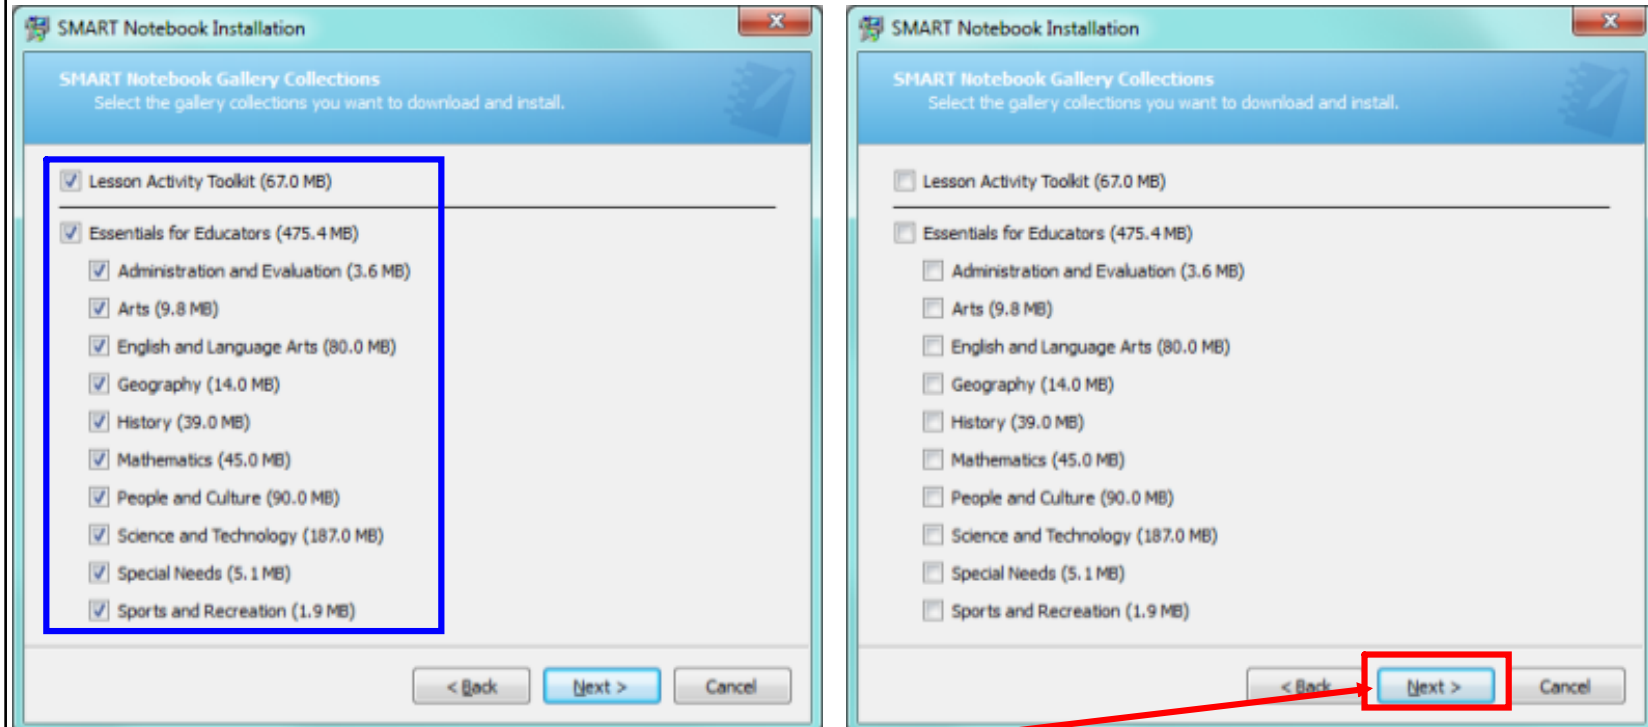

If you plan to purchase the Math Tools you could leave this box **Checked**.
If not, you can **Un-Check** the box to save time during the installation process.

Click **Next**

Step 2 - Installing the Software

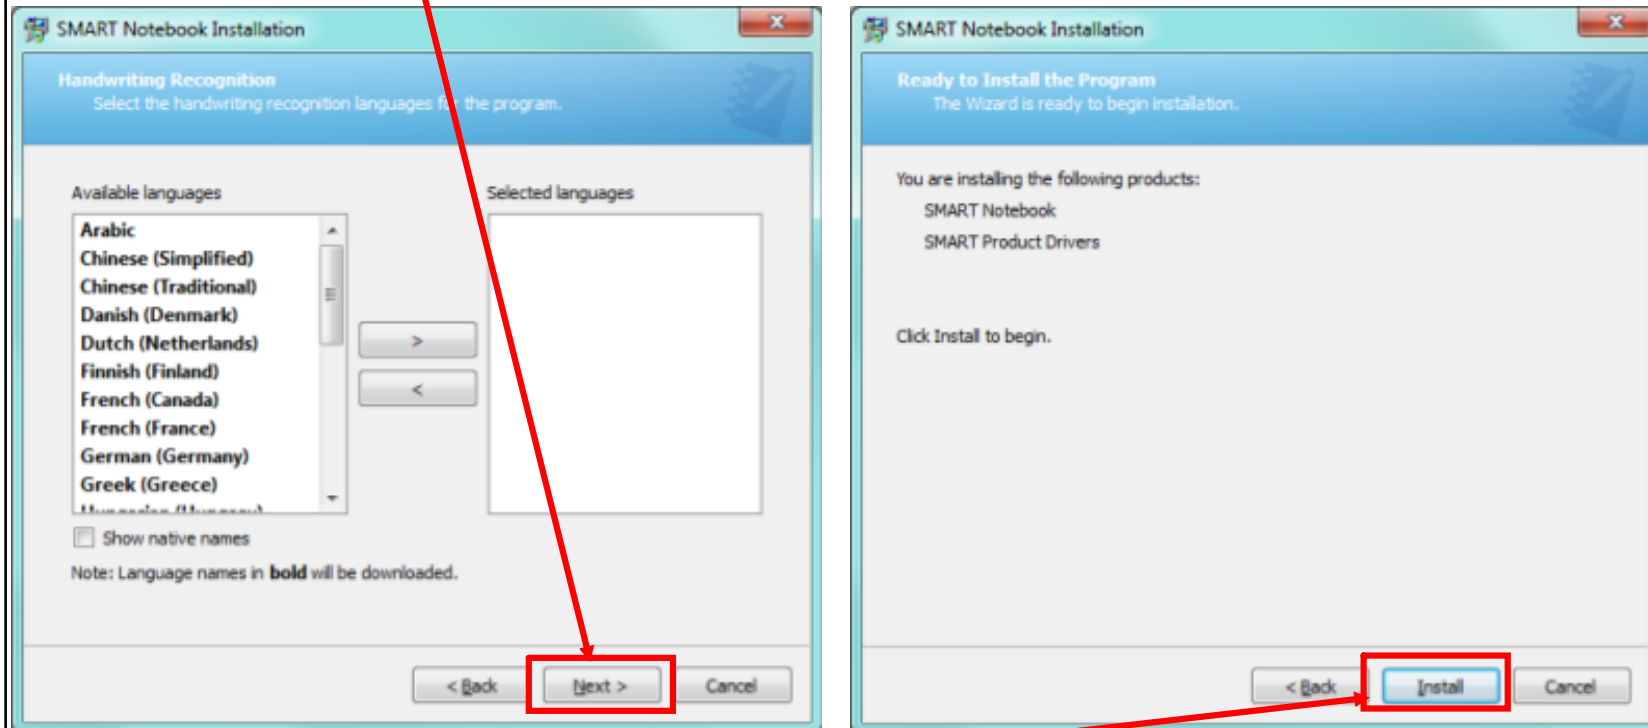

Un-Check all the boxes here. This is not needed as we will install both separate to save time during the install process.

Click **Next**

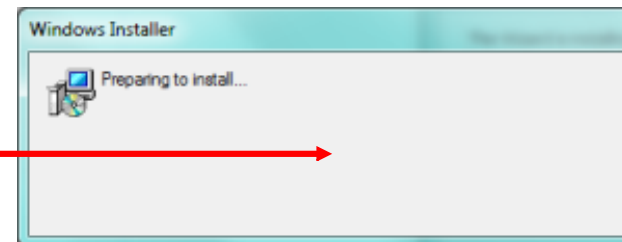

Step 2 - Installing the Software

Click **Next**

Click **Install**

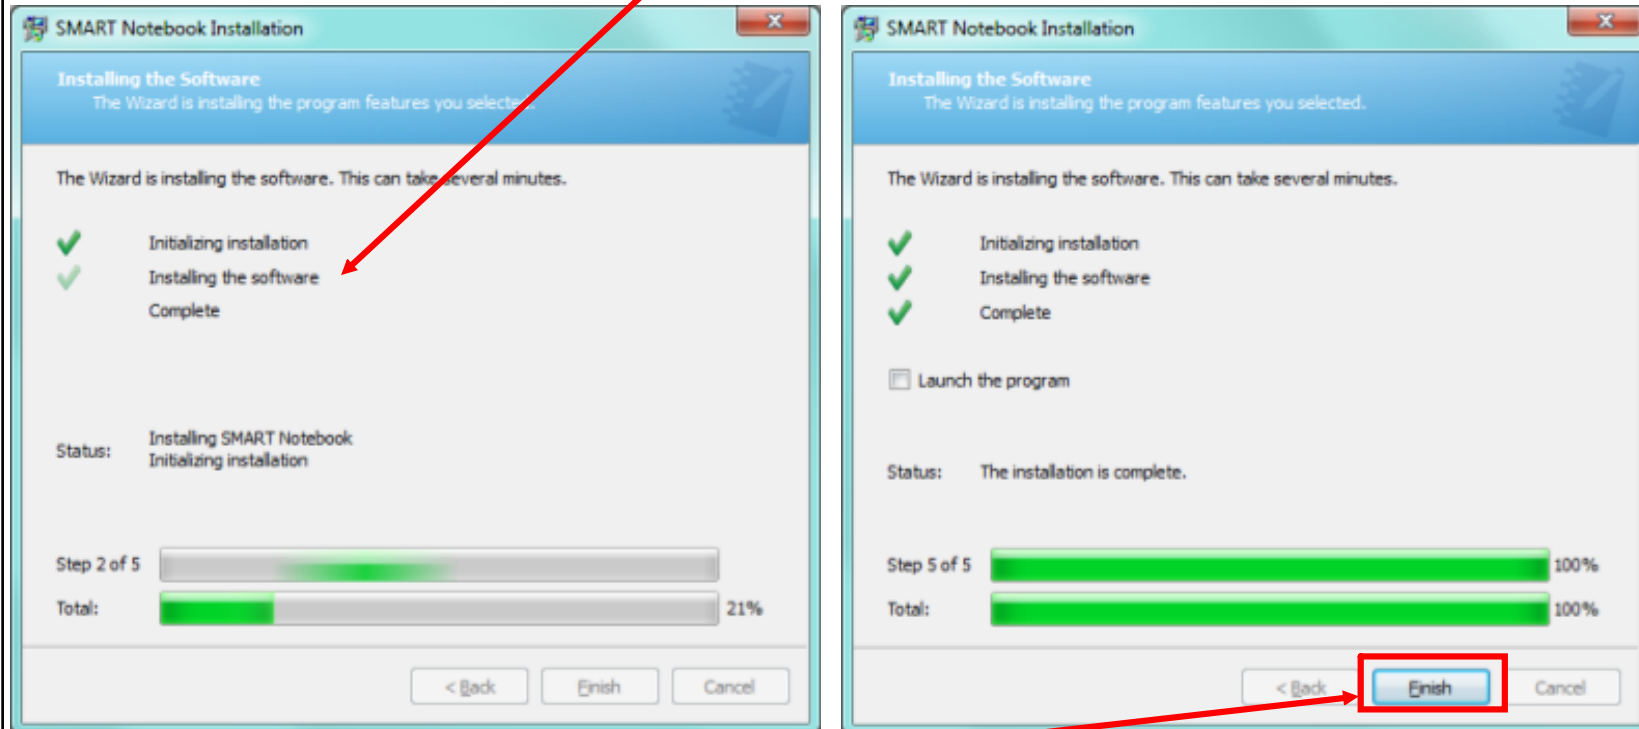

The installation process will begin.

Step 2 - Installing the Software

During the installation process you should be able to monitor the progress.

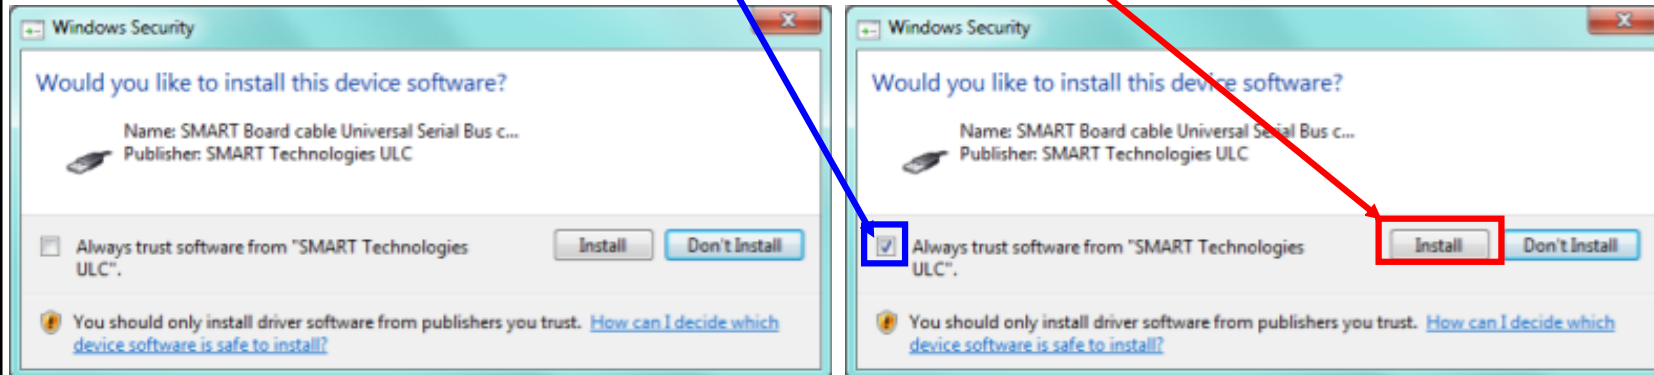

Click **Finish**.

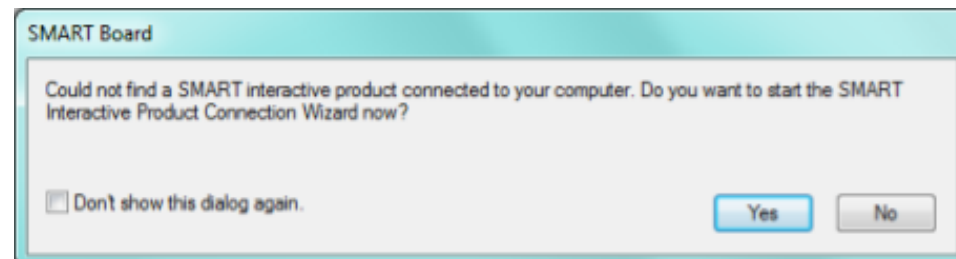

Step 2 - Installing the Software

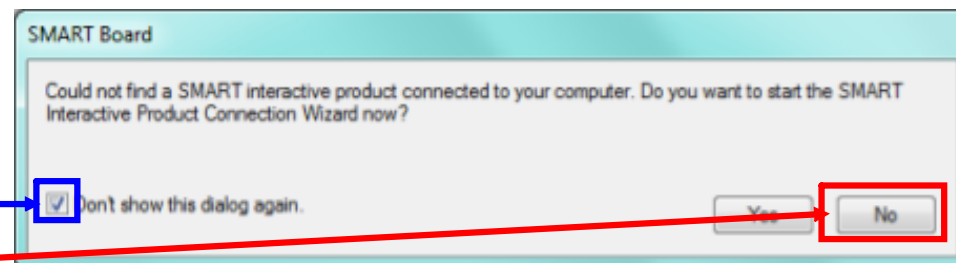

If at any time the following message appears during the install, check the **Box** and Click **Install**.

At the end of the install, the following message may appear.

Check the **Box** on, and then Click **No**.

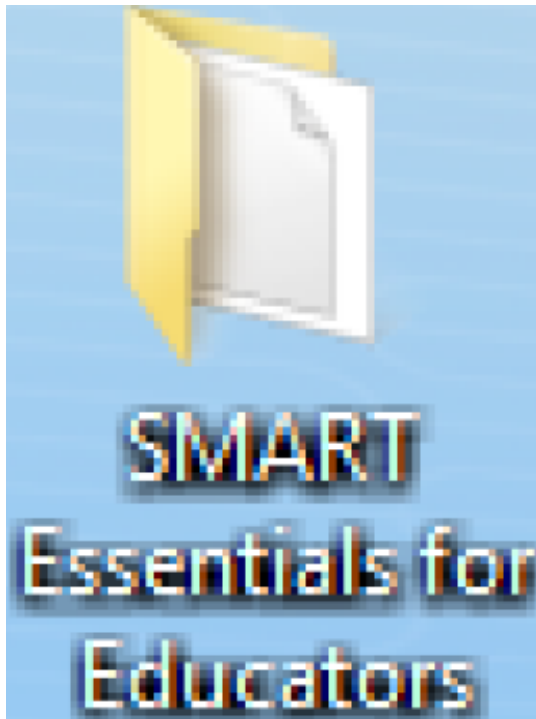

Step 2 - Installing the Software

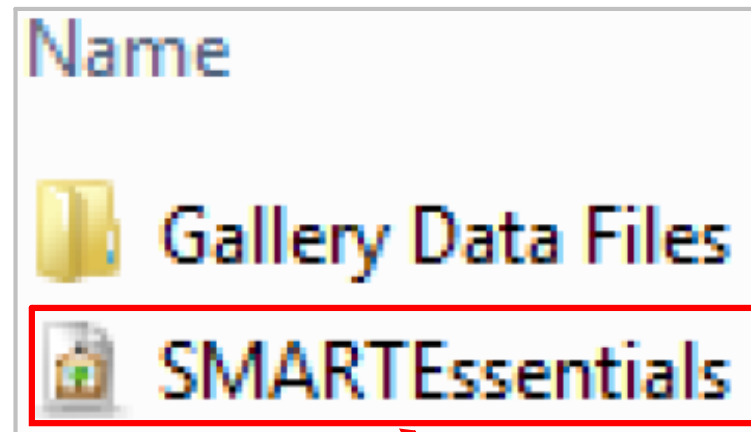

SMART Notebook should now be installed, however the Essentials For Educators and the Lesson Activity Tool Kit is still needed to be installed.

Return to the desktop and open the SMART Essentials for Educators Folder.
Please note: This folder from the Internet may need to be Un-Zipped first before this process can begin.

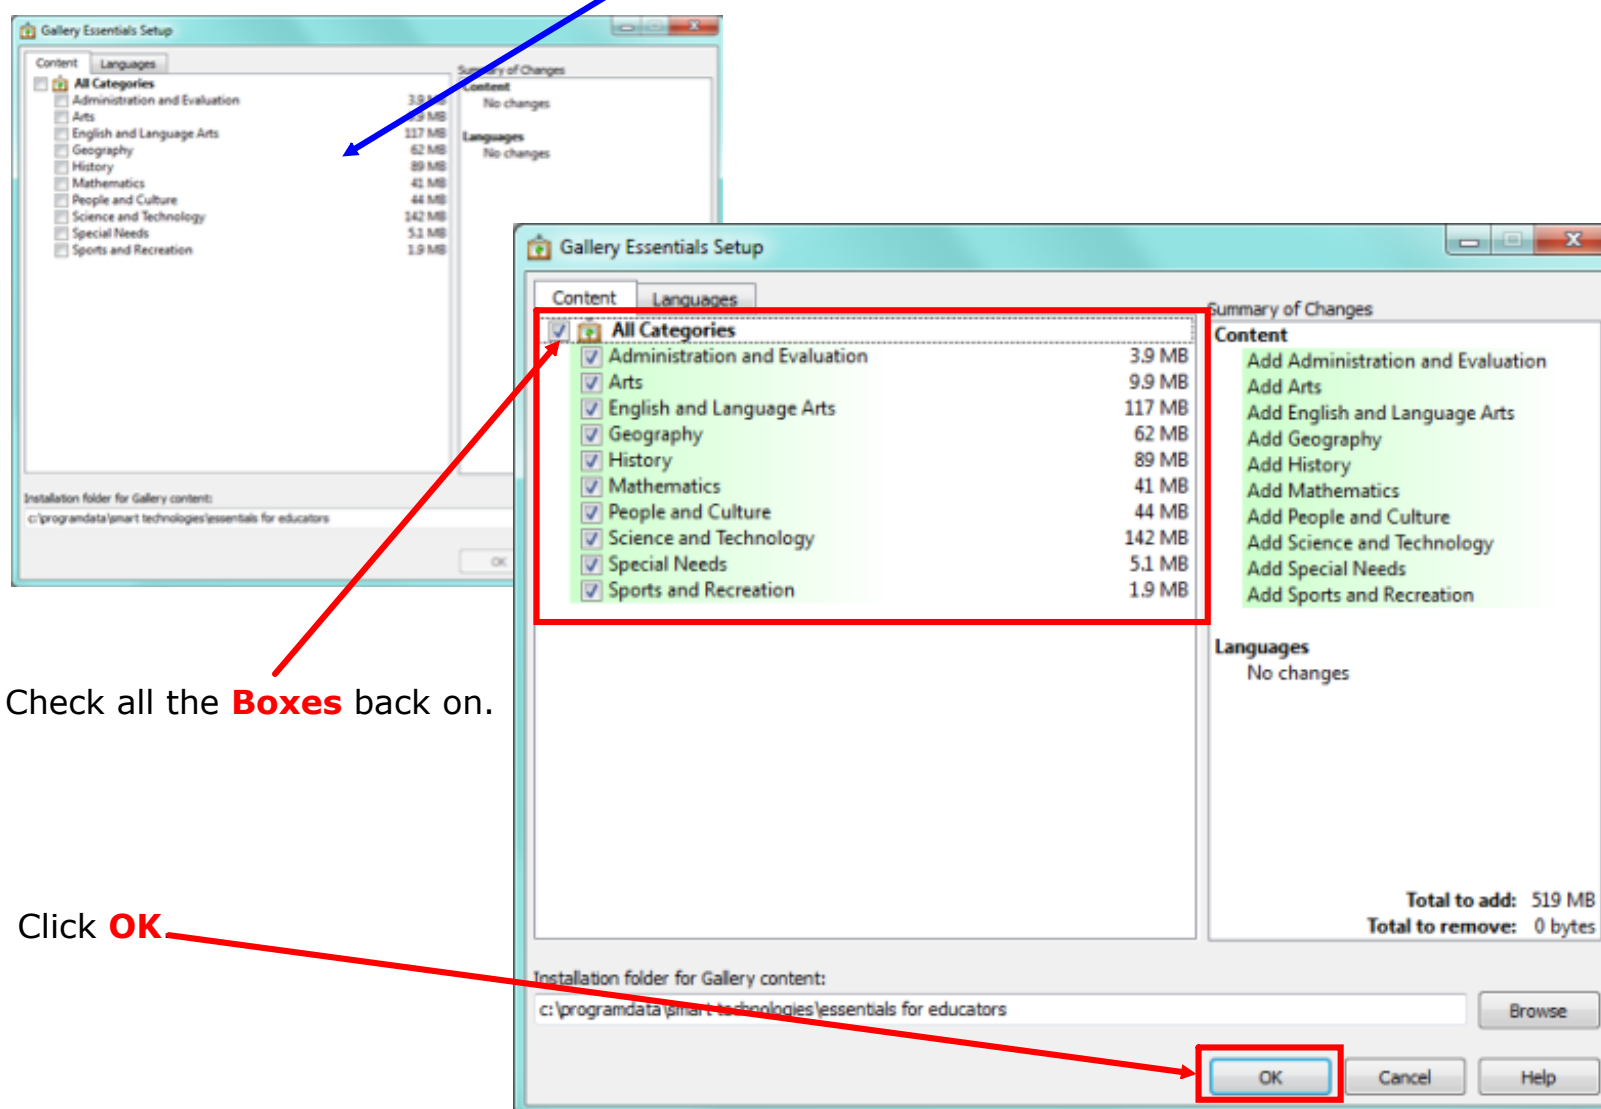

There should be a Folder and a File only inside the SMART Essentials for Educators folder.

Double Click the file **SMARTEssentials**.

Step 2 - Installing the Software

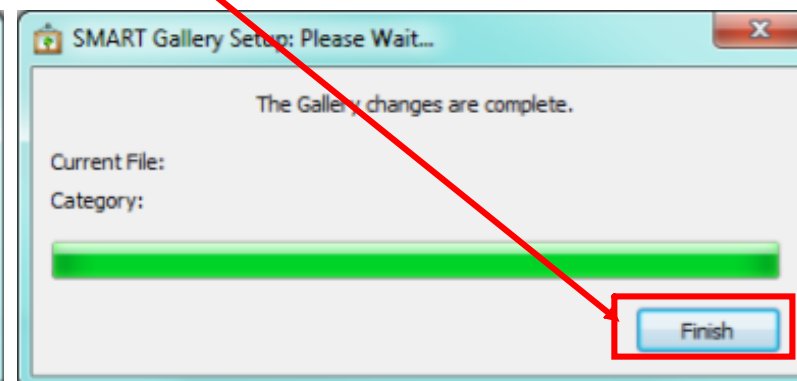

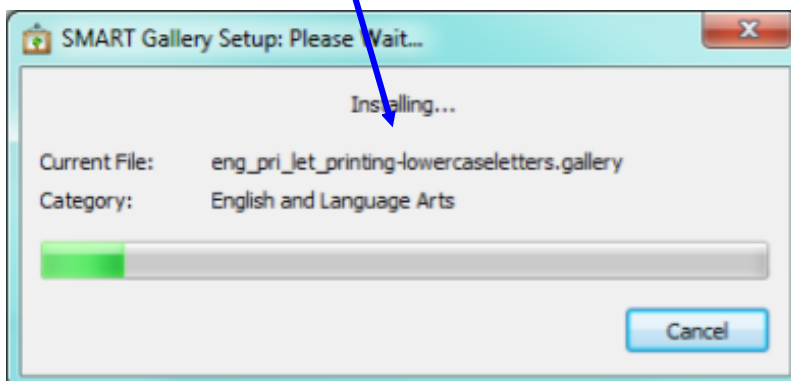

After a moment the following will appear.

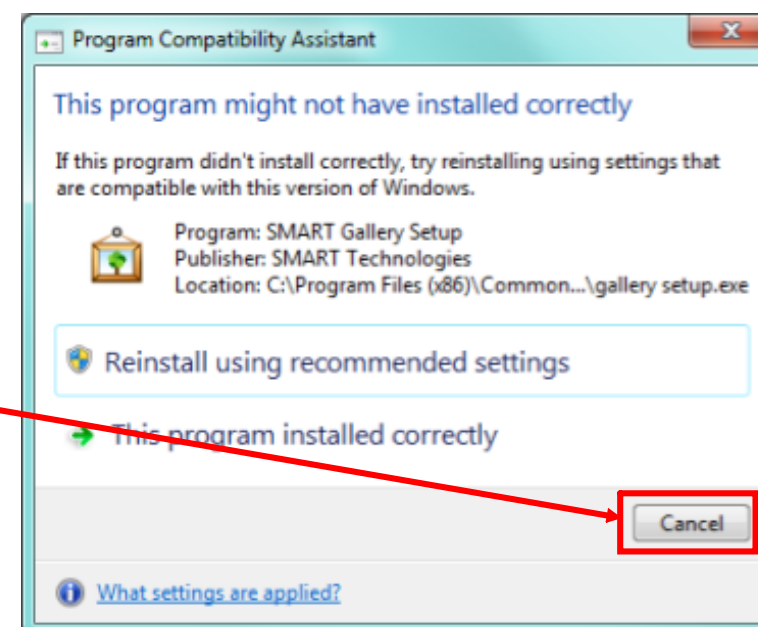

Step 2 - Installing the Software

EAGLE TECHNOLOGY
INTEGRATIONS, LLC®

The install should finish quickly. Click **Finish** when complete.

If at any time you see the following message Click **Cancel**.

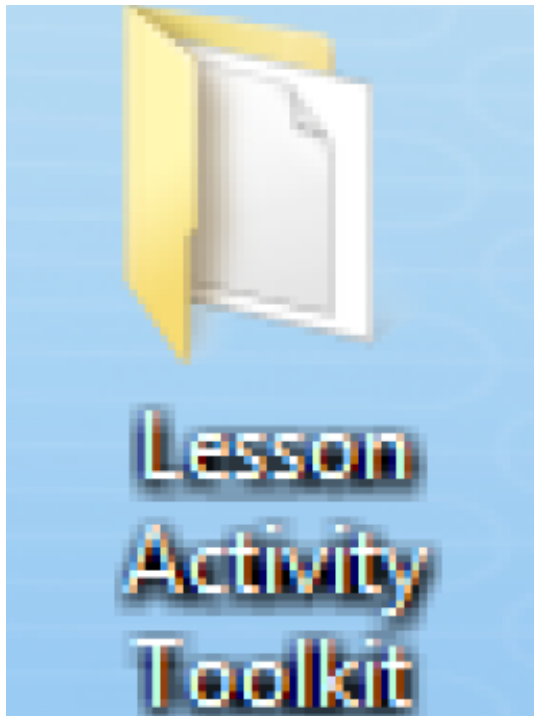

Step 2 - Installing the Software

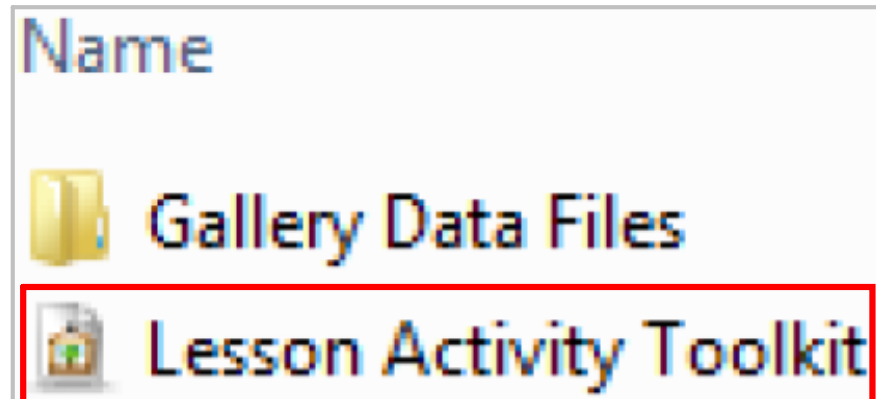

Repeat the same process from the SMART Essentials for Educators, but now for the Lesson Activity Tool Kit.

Return to the desktop and open the Lesson Activity Tool Kit Folder.

Please note: This folder from the Internet may need to be Un-Zipped first before this process can begin.

There should be a Folder and a File only inside the SMART Essentials for Educators folder.

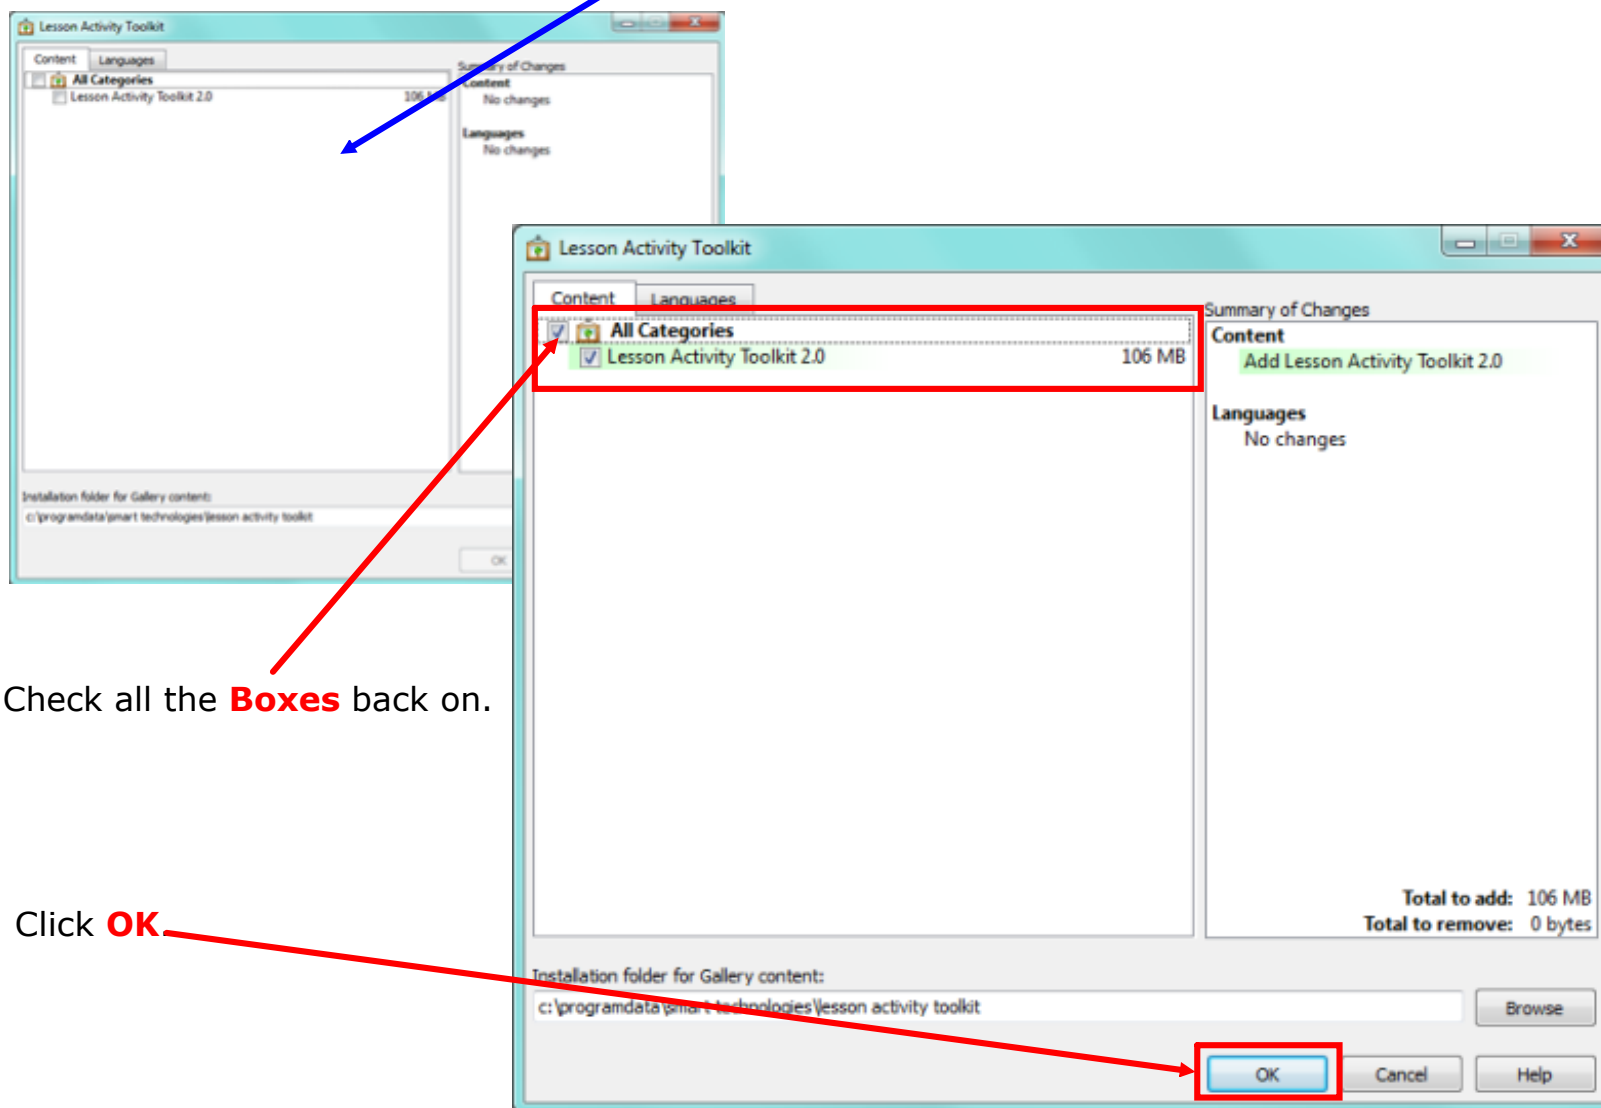

Double Click the file **Lesson Activity Toolkit**.

Step 2 - Installing the Software

After a moment the following will appear.

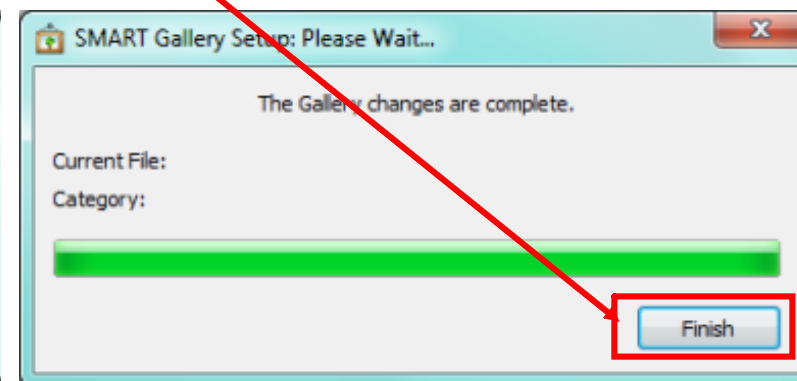

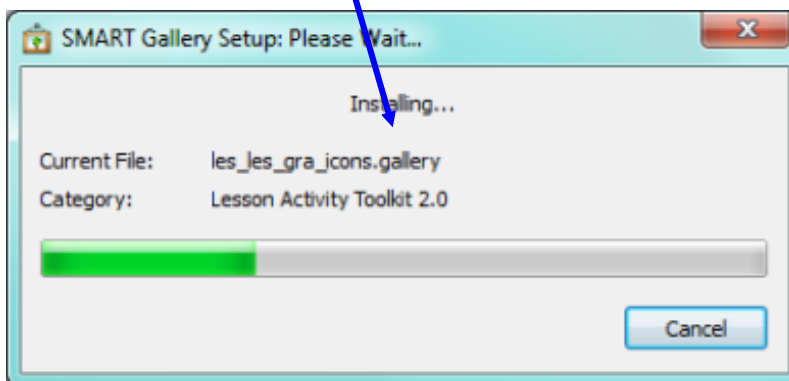

Check all the **Boxes** back on.

Click **OK**

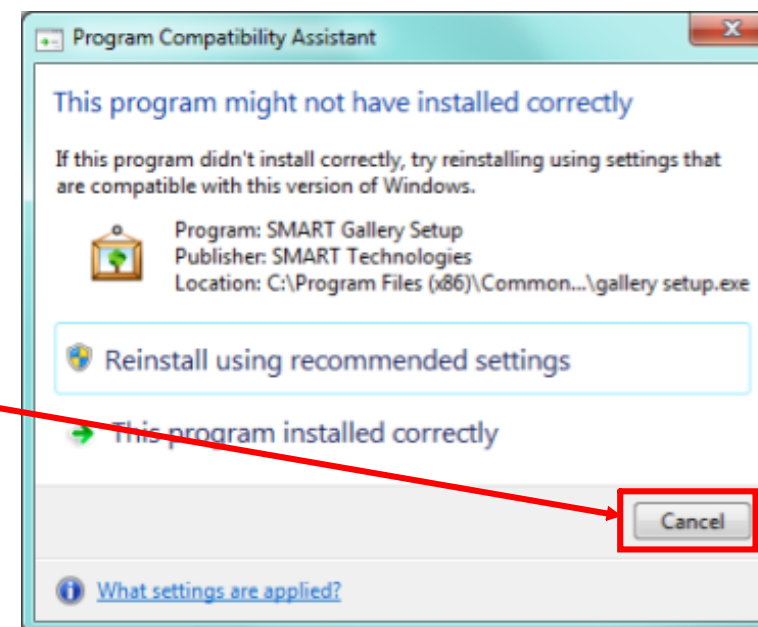

Step 2 - Installing the Software

EAGLE TECHNOLOGY
INTEGRATIONS, LLC®

The install should finish quickly. Click **Finish** when complete.

If at any time you see the following message Click **Cancel**.
